HOLIDAY GREETINGS TO FBIS EMPLOYEES

The very best holiday wishes to you and your families. May the new year bring to you and yours continued happiness and good luck.

Throughout 1986 FBIS continued its traditional superb support to the Intelligence Community. The products of all elements of FBIS are known and sought after. Clearly, the often taken for granted fine work of all FBIS employees makes the above happen year after year. I strongly endorse the belief of my predecessors that with the continued excellent performance of the FBIS employees and the eventual modernization of all parts of FBIS, the future years will see an even more active, productive and visible FBIS. I am very pleased to be a part of it.

Again, best wishes for the holidays and good health, happiness and prosperity in the new year.
